

# NOT FOR CHILDREN NO MINORS IN FOLSOM STREET FAIR!

Every year, children as young as infants and toddlers are brought to the Folsom Street Fair and Up Your Alley gay S&M events. At these events, children witness public sex of the kinkiest sort, including bondage, humiliation, torture, and urination. Some of these children are dressed up in kiddie bondage gear, such as miniature dog collars. This raises the obvious question: Are these children not just witnesses, but unwilling participants? **This is child abuse. Is it unreasonable to think that people who get off on abusing one another might also get off on abusing children?**

We have REPEATEDLY brought this child abuse to the attention of the San Francisco Mayor, the San Francisco Police, Governor Schwarzenegger, Representative Pelosi, and Senator Feinstein. They have done nothing. They have not even acknowledged our concerns. **Thus we have to conclude:** This is government-sponsored child abuse. That is why we are here. That is why we are asking you to help. Please contact Mayor Gavin Newsom at [gavin.newsom@sfgov.org](mailto:gavin.newsom@sfgov.org) Representative Pelosi at [nancy@mail.house.gov](mailto:nancy@mail.house.gov) Senator Feinstein at website [www.feinstein.senate.gov](http://www.feinstein.senate.gov) and Governor Schwarzenegger at [www.gov.ca.gov/interact](http://www.gov.ca.gov/interact)

Ask them why they approve of exposing children to public sex. Ask them why they are afraid to protect the children of this community. Let them know that this does not represent the values of San Francisco and the countless people who visit our city every year.
