The mission of the Conservative Citizens Foundation, Inc., a 501(c)(3) organization, is to promote the principles of limited government, individual liberty, equality before the law, property rights, law and order, judicial restraint, and states’ rights. In order to further our mission, we make a concerted effort to educate the general public on these principles.

You will see our ads in publications such as this one and hear them on radio shows such as The Political Cesspool on Liberty News Radio WLRM.

In the next school term, we will also be offering a limited number of scholarships to high school students in order to help them attend schools that provide education on the principles our Foundation was set up to promote.

Can you please help us further these principles by making a tax-deductible donation to the Conservative Citizens Foundation, Inc. by mailing your check or money order to us at:

P.O. Box 667
Bloomfield, MO 63825

Your tax-deductible donation will be used to help educate our young people on the principles our country was founded on and to educate the general public as well. This is a monumental task and your help is greatly needed and very much appreciated.
